

COMBAT VETERANS **OF THE** **RIO GRANDE VALLEY**

Combat Veterans
Motorcycle Association®
TX 23-15

We are an association comprised of Combat Veterans from all branches of the United States Armed Forces who ride motorcycles as a hobby. We are not a motorcycle club. Our mission is to support and defend those who have defended our country and our freedoms. Our focus is to help veteran care facilities provide warm meals, clothing, shelter, and guidance, or simply to say "Thank You" and "Welcome Home."

We had the opportunity to assist Mr. Martinez, an Army Veteran Ranger, and his family. Their home unfortunately burned down, & our team rolled up their sleeves to help them remove debris from the property.

**It's always an honor to support our Veterans
in times of need**

Ramps for Veterans

Our chapter is dedicated to assisting disabled or elderly veterans who cannot afford to purchase a ramp by providing them with custom built ramps.

Our chapter participates annually in providing Thanksgiving meals to needy veteran families.

Happy Thanksgiving to our Veterans!

CVMA® TX 23-15 raised over \$21,000 and has prepaid six months of rent for Ybarra, who is now settled in a new home in a trailer lot.

**Visiting our veterans
in the local nursing homes**

Honoring the veterans in our nursing homes is a wonderful way to show our appreciation for their service and to ensure they know they are not forgotten.
